Quillmark Analytics 2027 US Benefits Summary

Plan year January 1 to December 31, 2027. Open enrollment runs November 9 to November 25, 2026. Fictional company and fictional insurance plans; for testing only.

1. Who Is Eligible

All US employees scheduled to work 30 or more hours per week are eligible from their first day of employment. You may also enroll your spouse or domestic partner and children up to age 26. Canadian employees receive a separate benefits guide.

During open enrollment you can change medical, dental and vision plans, add or remove dependents, and set your FSA or HSA contributions. Outside open enrollment you can only make changes within **30 days** of a qualifying life event such as marriage, birth or adoption, or loss of other coverage.

2. Medical Plans

Quillmark offers three medical plans through the fictional carrier Evergreen Health Partners. All plans use the same national provider network.

2.1 Monthly employee contributions

Quillmark pays 100% of the employee-only premium for the Basic HDHP and most of the cost of the other plans. Your monthly payroll deductions are:

Coverage level	Basic HDHP	Standard PPO	Premium PPO
Employee only	$0	$48	$112
Employee + spouse/partner	$96	$210	$338
Employee + child(ren)	$82	$184	$296
Family	$165	$342	$520

These amounts increase by about 4% from 2026. The Premium PPO increased the most (7%) because of higher claims.

3. Health Savings Account (HSA)

If you enroll in the Basic HDHP, Quillmark contributes to your HSA every pay period:

- **$1,000 per year** for employee-only coverage
- **$2,000 per year** for any coverage that includes dependents

You may add your own pre-tax contributions up to the 2027 IRS limit, minus the Quillmark contribution. Employees aged 55 or older may make an additional catch-up contribution. HSA balances are yours to keep if you leave Quillmark.

4. Flexible Spending Accounts (FSA)

- **Health care FSA:** available with the Standard and Premium PPO plans. You may carry over up to the IRS carryover limit into 2028.
- **Dependent care FSA:** up to $7,500 per household per year for eligible child or elder care, available with any plan.

FSA funds are use-it-or-lose-it beyond the carryover amount. Claims for 2027 expenses must be submitted by March 31, 2028.
